**HIGH PERFORMANCE  
WITH CUTTING EDGE  
TECHNOLOGY**

当社の高品質の研磨ディスクとカッターディスクは、生産プロセスにおける日本とドイツの技術の組み合わせ。強度試験に合格した高性能繊維構造から始め、すべてのタイプの用途に適した研磨ディスクとカッターディスクを得るための耐久性とスピードテスト。したがって、当社の商品は信頼できる製品です。

Our high quality grinding wheels and cutting wheels are a combination of Japan and German technology in the production process. Starting with a high performance fiber structure that passed the strength test, durability and speed test to obtain our products suitable for all types of applications. Therefore, our grinding wheels and cutting wheels are highly reliable products.
